Woodbury Library Reopens This Weekend After Growing In Size & Services

An opening celebration of the Woodbury Library Public Library will be held November 1st starting at 2pm. The library will be dedicated for the dedication ceremony and the library staff will be on hand to show visitors around the new building. The new building will contain two levels, each with a large collection of books and periodicals. The new facility includes additional meeting rooms, a children's room, and a community room.

The library's collection has grown significantly, with an increased focus on young adult materials and a larger selection of non-fiction books. The library's staff has worked hard to ensure that the new facility is accessible and welcoming to all members of the community.
