

WOODBURY PUBLIC LIBRARY
POLICY/PROCEDURES MANUAL
CELL PHONE POLICY

Cell phone usage is not allowed anywhere in the public spaces of the library.

- Patrons are asked to silence their phones when they are in the library. Patrons with emergency situations who must receive calls should set their phones on vibrate to notify them of an incoming call.
- Patrons must go outdoors, if feasible, or into the entry vestibule to answer phones.
- Staff is required to remind those who abuse this rule by giving them a copy of the cell phone policy. Continued abuse will be handled on an individual basis.
